GOOD NEWS

HOMECHOOL

DOES NOT
NEED TO BE
AN ALL DAY EVENT

High Success Insider Information

Study Schedule

Study for 45 minutes
Break for 15 minutes
Repeat until for all subjects.

Minimize distractions.

Have all supplies available at your desk.
Set a timer for 45 minutes.
Do not leave your desk until the timer rings.

Pro Tip

**For maximum success
repeat 6 days/week.**

Pro Tip

**Maximize productivity by
creating a study plan for
each subject**

Secrets to Productive Breaks

Use this time to re-energize your brain and body.

Eat, go to the washroom, do some light exercise.

Limit distractions during this time - keep focused.
(phones, social media, tv)

Pro Tip

The best way to rejuvenate your brain and body is to drink water and go outside for a walk.
